CHARTERED ACCOUNTANTS

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TELLURIC FOODS (INDIA) LIMITED

REPORT ON THE IND-AS FINANCIAL STATEMENTS

Opinion

We have audited the accompanying Ind-AS financial statements of **TELLURIC FOODS (INDIA) LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity, the Statement of Cash Flows for the period from July 8, 2022 (from date of incorporation) to ended March 31, 2023 and the Notes to the Ind-AS financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind-AS financial statements give the information required by the Companies Act, 2013, (the Act) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standard) Rules, 2015, as amended, (Ind-AS) and with other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, the loss, total comprehensive income, changes in equity and its cash flows for the period from July 8, 2022 (from date of incorporation) to ended March 31, 2023 and on that date.

Basis for Opinion

We conducted our audit of the Ind-AS financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind-AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Ind-AS financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the Director's Report but does not include the Ind-AS financial statements and our auditor's report thereon.

Our opinion on the Ind-AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

LLP IN : AAH - 3437

REGISTERED OFFICE : ESPLANADE HOUSE, 29, HAZARIMAL SOMANI MARG, FORT, MUMBAI 400 001
TEL.: (91) (22) 6158 6200, 6158 7200 FAX : (91) (22) 6158 6275

In connection with our audit of the Ind-AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind-AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Ind-AS financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind-AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and the cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind-AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind-AS financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Ind-AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind-AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind-AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of the users of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone Ind-AS financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Ind-AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Ind-AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, as amended from time to time.
- e) On the basis of the written representations received from the Directors of the Company as on March 31, 2023, taken on record by the Board of Directors, none of the Directors of the Company are disqualified as on March 31, 2023, from being appointed as a Director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- g) According to information and explanations given to us and based on our examination of the records of the Company, the Company has not paid / provided managerial remuneration and hence the provisions of section 197(16) is not applicable.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company does not have any pending litigations which would impact its financial position.
 - ii) The Company did not have long term contract including derivative contract for which there were any material foreseeable losses.
 - iii) There were no amounts which are required to transferred to the Investor Education and Protection Fund by the Company.

iv)

- (i) The management has represented that, to the best of it's knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (ii) The management has represented, that, to the best of it's knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (iii) Based on such audit procedures that the auditor has considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (i) and (ii) contain any material mis-statement.
- v) According to information and explanations given to us and based on our examination of the records of the Company, the Company has not declared or paid dividend hence the provisions of section 123 are not applicable.
- vi) In respect of the financial year 2022-23, Management has not been mandated to use the accounting software with requisite audit trail facility. Accordingly, proviso to rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable for the company only w.e.f. April 1, 2023. Consequently, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is not applicable.

Agreement does not specify any terms or period of repayment (B)	-
Total (A+B)	191.10
Percentage of loans to total loans	100%

- iv The Company has made investments in wholly owned subsidiary company, Company granted in the nature of loans, secured or unsecured, to the parties covered under section 185 and 186. In our opinion and according to the information and explanations given to us, the provisions of section 185 and section 186 of the Act in respect of Investments made have been complied with by the Company.
- v The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- vi According to information and explanations given to us, the maintenance of cost records has not been specified by the Central Government under sub section (1) of section 148 of the Companies Act, 2013, for any of the activities of the company.
- vii (a) According to the information and explanations given to us and the records examined by us, the Company is generally regular in depositing undisputed statutory dues including including Goods and Services tax, Income Tax, Provident Fund, Employees' State Insurance, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable in payment to it with the appropriate authorities and there are no such outstanding dues as at March 31, 2023, for a period of more than six months from the date they became payable.
- (b) According to the information and explanation given to us and the records examined by us, there are no material dues of Income Tax, Sales Tax, Service Tax, Goods and Service tax (GST), duty of Customs, Duty of Excise and Value added tax which have not been deposited on account of any dispute.

- viii There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the period in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix (a) The Company has taken demand loans from holding company and accrued interest thereon. The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon.
- (b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company has taken demand loan from holding company. During the period there are no other outstanding term loans and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
- (d) Company has taken demand loan from holding company and funds were not utilised for long term purpose.
- (e) On an overall examination of the financial statements of the Company, the Company has taken demand loan amounting to Rs 115 Lakh from its holding company and has given it wholly owned subsidiary company. The Company does not have joint ventures and associates.
- (f) The Company has not raised any loans during the period on pledge of securities held by its subsidiaries. The Company does not have joint ventures and associates.
- (x) (a) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) during the period, The Company has issued equity share capital to its holding company. Hence, the provisions of paragraph 3(x)(a) of the Order are not applicable.
- (b) According to information and explanations given to us and based on our examination of the records of the Company, the company has issued equity share capital to its holding company during the period. The requirements of section 42 and 62 of the Companies Act, 2013. The funds raised have been used for the purposes for which the funds were raised. The Company has not raised any convertible debentures (fully, partially or optionally convertible) during the period.
- (xi) (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the period.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the period.

- (c) The Vigil mechanism is not mandated by the Companies Act, 2013 or SEBI LODR Regulations for the Company, as represented to us by the management, there are no whistle blower complaints received by the company during the period.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) (a to c) of the Order is not applicable.
- (xiii) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable Ind-AS.
- (xiv) The company is not required to have Internal audit system as per section 138 of the companies Act, 2013. Hence, the provisions of paragraph 3(xiii) of the Order are not applicable.
- (xv) In our opinion during the period the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors. and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a to d) of the Order is not applicable.
- (xvii) The Company has incurred cash losses during the period from July 8,2022 to ended March 31, 2023 amounting to Rs.4.93 lakh. As the Company is incorporated on July 8, 2022 the question reporting on immediately preceding financial year does not arise.
- (xviii) There has been no resignation of the statutory auditors of the Company during the period.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

**KALYANIWALLA
& MISTRY LLP**

(xx) The Company is not required to spent towards Corporate Social Responsibility.
Hence, reporting under clause 3(xx) of the Order is not applicable.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013.

We have audited the internal financial controls with reference to financial statements of **TELLURIC FOODS (INDIA) LIMITED** ("the Company"), as of March 31, 2023, in conjunction with our audit of the Financial Statements of the Company for the period ended July 8, 2022 (from date of incorporation) to March 31, 2023.

Management's Responsibility for Internal Financial Controls

The Management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (the "Act" or the Companies Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

The Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. The Company's internal financial control with reference to financial statements includes those policies and procedures that:

- 1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company.
- 2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorizations of management of the Company; and
- 3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Telluric Foods (India) Limited

CIN: U52609MH2022PLC386349

Notes forming part of the financial statements for the period from 08th July 2022 to 31st March 2023

1 Company Overview

Description of Business

Telluric Foods (India) Limited (“the Company”) is a company incorporated under the provisions of the Companies Act, 1956. The company is wholly owned subsidiary of ADF Foods Limited. (“The holding company”) which is domiciled in India having registered office at Marathon Innova, B2, G01, Ground Floor, G.K. Road, Lower Parel, Mumbai, Maharashtra.

The Company is engaged in the business of providing support services related to food business.

The Company is dependent upon its holding company for carrying its operations.

Basis of Preparation of Financial Statements

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 to be read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. The Company’s Financial Statements for the period ended March 31, 2023 comprises of the Balance Sheet, Statement of Profit and Loss, Cash Flow Statement, Statement of Changes in Equity and the Notes to Financial Statements.

These financial statements have been prepared for the submission to the holding company, to enable it to prepare its consolidated Ind AS financial statements.

Current versus non-current classification all assets and liabilities have been classified as current or non-current as per the Company’s normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time taken between acquisition of assets for processing and their realization in cash and cash equivalent, the Company has ascertained its operating cycle as twelve months for the purpose of the classification of assets and liabilities into current and non-current.

These standalone financial statements have been prepared in Indian Rupee which is the functional currency of the Company.

Basis of Measurement

The Ind AS Financial Statements have been prepared using historical cost convention and on an accrual method of accounting, except for certain financial assets and liabilities which have been measured at fair value as described below and defined benefit plans which have been measured at actuarial valuation as required by relevant Ind AS.

Telluric Foods (India) Limited

CIN: U52609MH2022PLC386349

Notes forming part of the financial statements for the period from 08th July 2022 to 31st March 2023

Key Accounting Estimates and Judgements:

The preparation of financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Revisions to accounting estimates are recognised prospectively. Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial period, are included in the following notes:

(a) Measurement of defined benefit obligations.

(b) Measurement and likelihood of occurrence of provisions and contingencies.

Measurement of fair values

The Company's accounting policies and disclosures require financial instruments to be measured at fair values. The Company has an established control framework with respect to the measurement of fair values. The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the management assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the assets or liabilities, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting year during which the change has occurred.

Telluric Foods (India) Limited

CIN: U52609MH2022PLC386349

Notes forming part of the financial statements for the period from 08th July 2022 to 31st March 2023

Recent Pronouncements:

Ministry of Corporate Affairs (“MCA”) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below:

Ind AS 1 - Presentation of Financial Statements - This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and the impact of the amendment is insignificant in the standalone financial statements.

Ind AS 8 - Accounting Policies, Changes in Accounting Estimates and Errors - This amendment has introduced a definition of ‘accounting estimates’ and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its standalone financial statements.

Ind AS 12 - Income Taxes - This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its standalone financial statement.

Telluric Foods (India) Limited

CIN: U52609MH2022PLC386349

Notes forming part of the financial statements for the period from 08th July 2022 to 31st March 2023

2 Significant Accounting Policies

2.1 Property, Plant and Equipment

2.1.1 Initial Recognition

Property, Plant and Equipment are initially recognised at cost which comprises of purchase price including import duties, non-refundable taxes and any directly attributable cost of bringing the assets to its present condition and location for its intended use, including the cost of replacing parts only when future economic benefit associated to that cost will flow to the company and its cost can be reliably measured, borrowing costs for long term construction projects if the recognition criteria are met and present value of any expected cost for decommissioning, restoration and similar liability of an asset after its use is included in the cost of respective asset. On replacement of a component, its carrying amount is derecognised.

Further, in case the component was not depreciated separately, the cost of incoming component is used as an indication to determine the cost of the replaced part at the time of capitalising.

2.1.2 Subsequent Recognition

Subsequent recognition is at Cost less accumulated depreciation and accumulated impairment losses, if any. Impairment testing is undertaken at the balance sheet date if there are indicators.

2.1.3 Disposal or Retirement

The carrying value is eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the statement of profit and loss. Assets to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell.

2.1.4 Component Accounting

The Company identifies and determines cost of each component of an asset separately, if the component has a materially different useful life as compared to entire asset and its cost is significant of the total cost.

2.1.5 Depreciation

Depreciation is calculated on Straight Line Basis as per the useful lives specified in Schedule II to the Companies Act, 2013 on pro rata basis or up to the date of assets has been sold or discarded as the case may be.

Depreciation methods, useful lives and residual values are reviewed periodically, including at each financial year end.

The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

Telluric Foods (India) Limited

CIN: U52609MH2022PLC386349

Notes forming part of the financial statements for the period from 08th July 2022 to 31st March 2023

2.2 Inventories

Inventories are valued at lower of cost and net realizable value. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale. Costs are computed on the weighted average basis and are net of GST credits.

2.3 Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash at bank and on hand and short term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flow, cash and cash equivalents consists of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

2.4 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

2.4.1 Financial Assets

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

2.4.1.1 Initial recognition and measurement

All financial assets are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition of financial assets, which are not at fair value through profit or loss, are added to the fair value on initial recognition.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

2.4.1.2 Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

Telluric Foods (India) Limited

CIN: U52609MH2022PLC386349

Notes forming part of the financial statements for the period from 08th July 2022 to 31st March 2023

2.4.1.2.1 Financial assets at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, debt instruments at amortised cost are subsequently measured at amortised cost using the effective interest rate (EIR) method, less impairment, if any. The amortisation of EIR and loss arising from impairment, if any is recognised in the Statement of Profit and Loss.

2.4.1.2.2 Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI).

Interest income measured using the EIR method and impairment losses, if any are recognised in the Statement of Profit and Loss. On derecognition, cumulative gain or loss previously recognised in OCI is reclassified from the equity to 'other income' in the Statement of Profit and Loss.

2.4.1.2.3 Financial assets at fair value through profit or loss

Financial assets which are not classified in any of the above categories are subsequently fair valued through profit or loss. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL.

Such financial assets are measured at fair value with all changes in fair value, including interest income and dividend income if any, recognised as 'other income' in the Statement of Profit and Loss.

2.4.1.2.4 Financial assets as Equity Investments

All investments in equity instruments classified under financial assets are initially measured at fair value, the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL.

The Company makes such election on an instrument-by-instrument basis. A fair value change on an equity instrument is recognised as other income in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognised in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

Telluric Foods (India) Limited

CIN: U52609MH2022PLC386349

Notes forming part of the financial statements for the period from 08th July 2022 to 31st March 2023

2.4.1.3 Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when: The rights to receive cash flows from the asset have expired, or

The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

2.4.1.4 Impairment

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits and trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115.

The company follows 'Simplified Approach' for recognition of impairment allowance. This approach doesn't require the Company to track changes in credit risk. Rather, it recognises impairment allowances based on lifetime ECLs at each reporting date, right from its initial recognition.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive, discounted at the original EIR. Lifetime ECL are expected credit losses resulting from all possible defaults over the expected life of a financial instrument. ECL impairment loss allowance (or reversal) recognized during the year is recognized as income/ expense in the statement of profit and loss. This amount is reflected under the head 'other expenses' in the Statement of Profit and Loss.

2.4.2 Financial Liabilities

(i) Classification

The Company classifies all financial liabilities as subsequently measured at amortised cost.

(ii) Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

(iii) Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in Statement of Profit and Loss when the liabilities are derecognised.

Telluric Foods (India) Limited

CIN: U52609MH2022PLC386349

Notes forming part of the financial statements for the period from 08th July 2022 to 31st March 2023

Amortised cost is calculated by taking into account any discount or premium on acquisition and transactions costs. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

This category generally applies to loans and borrowings.

(iv) Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

(v) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

2.5 Share Capital

Ordinary equity shares

Incremental costs directly attributable to the issue of ordinary equity shares, are recognised as a deduction from equity.

2.6 Provisions, Contingent Liabilities and Contingent Assets

2.6.1 Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

If the effect of time value of money is material, provisions are discounted using a current pre tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Telluric Foods (India) Limited

CIN: U52609MH2022PLC386349

Notes forming part of the financial statements for the period from 08th July 2022 to 31st March 2023

2.6.2 Contingent Liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

2.6.3 Contingent Assets

Contingent Assets are not recognised in the financial statements. Contingent Assets if any, are disclosed in the Notes to the financial statements.

2.7 Revenue Recognition

2.7.1 Revenue from Operations

Revenue from contracts with customers is recognized on transfer of control of promised goods or services to a customer at an amount that reflects the consideration to which the Company is expected to be entitled to in exchange for those goods or services. Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract. This variable consideration is estimated based on the expected value of outflow. Revenue (net of variable consideration) is recognized only to the extent that it is highly probable that the amount will not be subject to significant reversal when uncertainty relating to its recognition is resolved.

The Company applies judgement to determine whether each product or services promised to a customer are capable of being distinct, and are distinct in the context of the contract, if not, the promised product or services are combined and accounted as a single performance obligation. The Company allocates the arrangement consideration to separately identifiable performance obligation based on their selling price.

2.7.2 Non-operating revenue

Other Income

Interest and other income is recognized on accrual basis using the effective interest rate (EIR) method.

2.8 Employee Benefits

Liabilities in respect of employee benefits to employees are provided for as follows:

a) Short-term employee benefits

i) Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the year in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting year and are measured at the amounts expected to be incurred when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the Balance Sheet.

b) Long Term Employee Benefit Plan

The Company has a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by actuarial valuation performed by an independent actuary at each Balance Sheet date using projected unit credit method on the additional amount expected to be paid / availed as a result of the unused entitlement that has accumulated at the Balance Sheet date. Expense on non-accumulating compensated absences is recognized in the year in which the absences occur.

c) Post Separation Employee Benefit Plan

i) **Defined Benefit Plan : Gratuity, as per Payment Of Gratuity Act, 1972**

- Post separation benefits of Directors on the basis of actuarial valuation as per IND AS-19.
- Gratuity Liability on the basis of actuarial valuation as per IND AS-19. Liability recognised in the balance sheet in respect of gratuity is the present value of the defined benefit obligation at the end of each reporting year less the fair value of plan assets.

The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. The present value of defined benefit is determined by discounting the estimated future cash outflows by reference to market yield at the end of each reporting year on government bonds that have terms approximate to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

- Actuarial gain / loss pertaining to above and other components of re-measurement of net defined benefit liability (asset) are accounted for as OCI. All remaining components of costs are accounted for in Statement of Profit and Loss.

Telluric Foods (India) Limited

CIN: U52609MH2022PLC386349

Notes forming part of the financial statements for the period from 08th July 2022 to 31st March 2023

ii) Defined Contribution Plans: Provident fund as per Provident Fund Act, 1952

Defined contribution plans are Employee Provident Fund scheme for employees. The Company's contribution to defined contribution plans is recognised as an expense in the Statement of Profit and Loss as they fall due.

2.9 Taxes

2.9.1 Current Taxes

Current tax comprises the expected tax payable or recoverable on the taxable profit or loss for the year and any adjustment to the tax payable or recoverable in respect of previous years.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting year in the countries where the company and its branch operate and generate taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Income tax expense is recognized in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity/OCI, in which case it is recognized in other comprehensive income. The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

2.9.2 Deferred tax

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the Financial Statements. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary timing differences and the carry forward of unused tax credits and unused tax losses can be utilised. Such assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred tax assets are not recognised for temporary differences between the carrying amount and tax bases of investments in subsidiaries where it is not probable that the differences will reverse in the foreseeable future and taxable profit will not be available against which the temporary difference can be utilised.

Deferred tax assets are recognised for all deductible temporary differences, unused tax losses and MAT credit entitlements only if it is probable that future taxable amounts will be available to utilise those temporary differences, losses and credit.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously. Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Telluric Foods (India) Limited

CIN: U52609MH2022PLC386349

Notes forming part of the financial statements for the period from 08th July 2022 to 31st March 2023

2.10 Earnings Per Share

Basic earnings per equity share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit for the year attributed to equity shareholders and the weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

The Company has revenue from external customer to the extent of Rs. Nil lakhs.

25. Financial instruments – Fair values and risk management

Accounting classification and fair values

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy. It does not include fair value information for financial assets and financial liabilities not measured at fair value if the carrying amount is a reasonable approximation of fair value.

Rs. Lakhs

March 31, 2023	Carrying amount				Fair value

	-	-	207.55	207.55	-	-	-	-

Rs. Lakhs

March 31, 2023	Carrying amount				Fair value			
	Fair value through profit and loss	Fair value through other comprehensive income	Amortised Cost	Total	Level 1	Level 2	Level 3	Total
Financial Liabilities								
Current								-
Borrowings			115.00	115.00				
Trade payables	-	-	-	-	-	-	-	-
Other Current Financial Liabilities	-	-	2.77	2.77	-	-	-	-
	-	-	117.77	117.77	-	-	-	-

Fair Value Hierarchy

The fair value of financial instruments as referred to in note above have been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The categories used are as follows:

- Level 1: Quoted prices for identical instruments in an active market;
- Level 2: Directly or indirectly observable market inputs, other than Level 1 inputs; and
- Level 3: Inputs which are not based on observable market data.

Calculation of Fair Values

The fair values of the financial assets and liabilities are defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Methods and assumptions used to estimate the fair values are consistent with prior years.

26. Financial Risk Management

The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

Credit risk

The Company is exposed to credit risk, which is the risk that arises when a counter party defaults on its contractual obligations to pay, resulting in financial loss to the Company. The Company manages its credit risk by continuous monitoring of the ageing of its receivables. The carrying amount of financial assets represents the maximum credit exposure. Based on prior experience and an assessment of the current economic environment, management believed there is no credit risk provision required.

Telluric Foods (India) Limited
CIN: U52609MH2022PLC386349

Notes forming part of the financial statements for the period from 08th July 2022 to 31st March 2023

The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to Rs. 11.26 lakhs shown as current as at reporting date. Trade receivables are typically unsecured. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. The Company expects that estimate of expected credit loss for impairment is immaterial based on historical trend and the nature of business. No provision is considered necessary as at reporting date other than disclosed in Note 4 and Management continuously assesses the requirement for provision on ongoing basis. During the year, the Company made no write-offs of trade receivables except for those disclosed in financial statements.

Liquidity risk

The Company manages liquidity risk by continuously monitoring the forecasted and actual cash flows. It matches its outflows to its inflows, thereby ensuring that it does not have any operational cash shortfalls which need to be funded.

Rs. Lakhs

March 31, 2023	Contractual cash flows					
	Carrying Amount	Total	Within 12 months	1-2 years	2-5 years	More than 5 years
Financial Liabilities						
Current						
Borrowings	115.00	115.00	115.00	-	-	-
Trade payables						
a) Dues of Micro & Small Enterprises	-	-	-	-	-	-
b) Dues of creditors other than Micro & Small Enterprises	-	-	-			-
Other Financial Liabilities	2.77	2.77	2.77	-	-	-
	117.77	117.77	117.77	-	-	-

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of change in market prices. There are two types of market risks, namely, currency risk and interest rate risk. Exposure to currency risk related primarily to the Company's operating activities when transactions are denominated in a different currency from the Company's functional currency. The Company does not have a significant exposure to currency risk. The Company continuously monitoring interest rate to avoid interest rate risk.

Capital Management

The Company's capital management objective is to

-> ensure that the Company will be able to continue as a going concern.

-> maintain strong capital base so as to maintain creditor and market confidence and to sustain future development of the business.

The board of directors monitors the return on capital employed.

27. The Company has not advanced or loaned or invested (either from borrowed funds or share premium or any other source of funds) to other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the intermediary shall whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or behalf of the company (Ultimate Beneficiaries) or provide any guarantee, security or like on or behalf of the Ultimate Beneficiaries.

The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the company shall either directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries

28. Information's required as per schedule III (amended by MCA notification dated March 23, 2021) and as per Ind-AS has been disclosed in the financial statements to the extent applicable.

29. Company got incorporated on 08th July 2022, hence comparative figures are not given or applicable.
